We seek to share resources which will allow members to effectively represent their clients. We look to increase Spanish proficiency in the legal system. We strive to identify opportunities for international exchanges between attorneys, judges, and other professionals. We support the needs of the Spanish speaking communities in to promote fair access to the legal system through the courts, bar associations, law schools, and other legal service organizations.

We proudly partner with the following organizations: Our Courts/Nuestras Cortes, Center for Legal Inclusiveness, Colorado Hispanic Bar Association, Colorado Lawyers Committee, Ya es Hora, Colorado Legal Services, Project Safeguard, and CLLARO.

Free Legal Clinics

The Spanish Speaking Lawyers Committee directly supports many projects affecting the Spanish speaking community including free legal clinics in almost every part of Colorado. There are opportunities for lawyers, paralegals, and students to provide legal information and translations in almost all areas of law.

Education

We work with various organizations that have direct contact with first generation and at-risk students to talk to them about the importance of education and inspire them to achieve their dreams.

Citizenship

Members of the Spanish Speaking Lawyers Committee volunteer their time in all stages of citizenship – from new immigrants' questions to naturalization applications for those nearing citizenship.
